VITH EDITION

EUROPEAN MINING BUSINESS FORUM 2020

UNDER THE PATRONAGE OF THE MINISTER OF
ENERGY OF THE REPUBLIC OF BULGARIA

21 MAY 2020
SOFIA TECH PARK

EMBF

In 2020, for the sixth consecutive time, Sofia will be the host of the European Mining Business Forum, organized by the Bulgarian Chamber of Mining and Geology in partnership with the European Association of Mining Industries, Metal Ores & Industrial Minerals and the Ministry of Energy of the Republic of Bulgaria. The focus of the Forum will be topical issues such as contemporary policies and strategies for the sector, medium, conditions and trends for development of the mining business in Bulgaria and Europe. Simultaneously, EMBF 2020 will provide the opportunity for presentation of the latest technological solutions and innovations in the sector, sharing good practices and successful examples for business development.

TOPICS

- POLICIES
- STRATEGIES
- LEGISLATION
- TRENDS
- MARKETS
- INVESTMENTS
- INNOVATIONS
- NEW TECHNOLOGIES
- GOOD PRACTICES

SPEAKERS

Speakers at the Forum will be prominent experts from the mining industry, the academic circles and non-government organizations, as well as high-ranking officials from European and Bulgarian institutions responsible for the sector.

PARTICIPANTS

- High-ranking government officials
- Owners and managers of large extraction companies
- Employers' and industry organizations
- Scientific and educational institutions
- Commercial chambers and foreign agencies
- NGOs in the field of sustainable development

EXHIBITION

This year's edition of EMBF will also include a spacious modern exhibition hall, where forum participants could personally get introduced to the latest achievements and technologies in the sector. The specially prepared outside tents and inside stands will offer the visitors rich opportunities for exciting encounters with modern technologies in the mineral resources industry, for a fruitful dialogue, knowledge and experience exchange and for successful networking.
